Is your coal pile running low?

Here is the ideal year-round oil range

HERE, at last, is an oil range that is every bit as satisfactory as the finest coal range and as fast in cooking as a gas stove. And it is especially economical when clean, long-burning Socony Kerosene is used.

This latest and finest New Perfection Oil Range with Superfex Burners is being installed in thousands and thousands of homes as the permanent, all-year cookstove. It is as popular in the city as it is in suburban country homes.

If you are furnishing a new home, or want to get rid of the bother and litter that every coal range makes, see this New Perfection demonstrated before you buy your new stove. It is a marvel of simplicity, neatness, durability and cooking speed, And remember, it's a year-
